

HIEReasoning Dataset Usage Agreement

This agreement governs access to and use of the **HIEReasoning** dataset. By downloading, accessing, or using this dataset, the user agrees to comply with the terms and conditions of the Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC-ND) license.

License Terms (CC BY-NC-ND)

1. **Attribution (BY):** Users must provide appropriate credit to the dataset creators in any publication, presentation, or derivative research work using the dataset.
2. **NonCommercial (NC):** The dataset may not be used for commercial purposes.
3. **NoDerivatives (ND):** Users may not distribute modified versions of the dataset.
4. Users agree to comply with all applicable institutional, ethical, and legal requirements regarding the use of medical and research data.
5. The dataset providers make no warranties regarding the completeness, accuracy, or suitability of the dataset for any purpose.
6. Any misuse of the dataset may result in revocation of access privileges.

By signing below, I acknowledge that I have read and understood the above terms and agree to use the HIEReasoning dataset in accordance with the CC BY-NC-ND license.
